POLICY OF NON-DISCRIMINATION

The State University of New York College of Technology at Alfred, in recognition of its educational mission, its social concern, its responsibility for the personal development of individuals, and its concern for the rights of the individual, does hereby express and establish this Policy of Affirmative Action and Equal Employment Opportunity.

All programs and services of the College are administered without discrimination on the basis of age, sex, marital or military status, race, color, creed, religion, national origin, disability, or sexual orientation. This policy of non-discrimination extends to Admissions, Financial Aid, Housing, Counseling, Educational Programs, Athletic Activities, and Career Services as well as to all aspects of employment.

In support of this policy, the College affirms its right to take appropriate action if it or other duly constituted authority should determine that applicable federal and state equal opportunity laws and regulations have been violated, or that the effect and intent of this policy have been willfully or habitually abrogated.

This policy is an affirmation of the College's commitment to making non-discrimination a reality.

INCORRECT OR MISSING INFORMATION?

Submit any changes or additions in writing to: Human Resources Department, Pioneer Center.

Information on the following pages is accurate as of October 2009.
